Inner Melbourne Hospital Map and Guide

Transport Connections is a Victorian Government program that helps communities work together on projects to improve local transport.

This map was funded by Transport Connections as a trial initiative to assist regional Victorians travelling to Melbourne to access major metropolitan hospitals.

This map was developed by the Department of Transport, Let's Get Connected, Transport Connections Solutions and Southern Mallee Transport Connections, using the TravelSmart Map design adapted for Transport Connections.

For hard copies of this map contact Information Victoria on **1300 366 356,** or alternatively view this map online at **www.transport.vic.gov.au/maps**
